HLA-NC

Did you know that Hearing Loss Association of North Carolina was the first state-level association of HLAA?

We meet (usually in Greensboro) 2-3 times a year to plan state level activities related to hearing loss. Next meeting is Sat, 9 Apr.

You’re invited. Meetings are open and everyone is welcome to participate. It’s a great way to make a difference and have fun with other HLAA people from across the state, too.

Hearing Loss Association of America is the largest non-profit for people with hearing loss in the world. The Wake Chapter meets in Raleigh, NC. Meetings are free and open to the public. Come and learn how you can make the most of your hearing (or how you can help friends or family members).

Who Should Be Involved

People with hearing loss, their family, friends and hearing health care professionals are encouraged to participate Hearing Loss Association of Wake County. Make the most of your hearing.

Meeting Accessibility

We have a Loop system for people with telecoils. When State budgets permit, we sometimes also have a Computer Assisted Note taker.

National Convention 2011

Put Jun 2011 on your calendar. HLAA’s national convention will be held next June at the Hyatt Regency in Crystal City. See details at:

Captioned Movies

Want to know what captioned movies are in town? Go to www.captionfish.com and enter your location and it will list the movie theaters that are showing captioned movies near you.

Email Steve Barber, and he’ll add you to a captioned movie email list. If we get enough interest, we can meet for a captioned movie when something good comes to town.
