Next Meeting is 21 Apr, 2015

Our first program meeting for 2015 was to feature Juliette Sterkens, Au.D., a national loop advocate for HLAA. But unfortunately, that was the day of our big Snow/Ice storm, so we had to cancel that meeting.

Now that the weather is more likely to cooperate, Steve Barber will cover the same audio loop topic with some of Juliette’s program material. Since the goal is to encourage installation of more loops in North Carolina, please encourage anyone who might be interested in telecoils or audio loops to attend.

The meeting will be held on **Tuesday, the 21st of April starting at 6:30** at the new DSDHH offices at 4900 Waters Edge Drive, Raleigh, NC 27606. Please email an RSVP if you plan to attend. I’ll send another short email reminder with details before the meeting.

Wake Speakers Available

Wake Chapter has speakers willing and able to give presentations about hearing loss topics to anyone interested.

We have presentations covering an “Introduction to Hearing Loss for Consumers” and more advanced programs like: “Hearing Better with Assistive Technology”.

If you know of any organization, club, business, hospital, assisted living facility or homeowner’s group that might be interested in having us do a presentation for them about hearing loss please let us know.

Like Open Captioned Movies?

If you like Open Captioned movies and are willing to travel to see them, this might be for you.

The Grand Theater in Winston Salem will be showing Open Captioned movies noon on the first Saturday of the month over the next few months.

The Grand Theater is at 5601 University Pkwy in Winston Salem. See the Flyer for details.

Who We Are

Hearing Loss Association of America is the largest non-profit for people with hearing loss in the world. The Wake Chapter meets in the Raleigh/Cary area. Meetings are free and open to the public. Come and learn how you can make the most of your hearing (or how you can help friends or family).

Who Should Be Involved

People with hearing loss, their family, friends and hearing healthcare professionals are encouraged to participate in the Hearing Loss Association of Wake County. We invite you to come and join us … and make the most of your hearing.

Outreach

Janet McGettrick and Joyce Adler staffed a health fair table in Apex in March. Health fairs offer our chapter a great opportunity to spread the word about hearing loss and HLAA.

If you know of a health fair that we can support, please let us know.

Donations?

HLAA Wake Chapter is a non-profit, so donations are tax deductible. We have no dues, and other than the Walk4Hearing, we have no income. If you can help fund our chapter, email our treasurer, Susan Goldner for instructions.
