### Accessible Theatre

**Raleigh Little Theatre (RLT)** has announced the **2016-2017 Season**.

There are plays planned for the Sutton Theatre and the Gaddy-Goodwin Theatre.

The Sutton Theatre is looped so you can hear your best with telecoils (or headphones if you don’t have telecoils).

The Gaddy-Goodwin Theatre at RLT is cosier so you can sit closer and has an FM system you can borrow.
