Dear Ms. Ashanin,

I am writing to you on behalf of the Albuquerque Chapter of SHHH to thank you, Cyndi Baldonado and Blue Cross and Blue Shield of NM for the \$500 gift your company granted our group. These funds have made possible a supply of professional looking brochures promoting the help available to those with hearing loss through SHHH. Your concern for the hard of hearing and your support of our efforts is greatly appreciated.

We are recognizing this generous grant by crediting Blue Cross and Blue Shield of NM for the funds on the back side of the brochures and also with a listing on the donor page of our newsletter. Please relay our thanks to those responsible for the final decision on this grant. Enclosed are a few samples of the brochure and also a copy of the latest newsletter.

We have already begun placing these brochures in the offices of hearing loss professionals throughout the city and hope to also have them made available in all of the city's senior centers and in such locations as the offices of the NM Commission for Deaf and Hard of Hearing Persons, the Community Outreach Program for the Deaf, Relay New Mexico, the Independent Living Resource Center and many others.

Again, thank you for you help in our outreach efforts.

Sincerely,

Stephen O. Frazier, VP for Public Relations
